

MINN-DAK FARMERS COOPERATIVE CONTRACTOR SAFETY AND FOOD SAFETY POLICY SIGN OFF SHEET

Minn-Dak Farmers Cooperative (MDFC) has developed a Contractor Safety and Food Safety Policy that outlines our corporate policies and programs to prevent injury and protect human health, and the environment and promote food safety. Copies of the actual policies and programs are available on the MDFC's website <http://www.mdf.coop/safety>.

All contractors, all employees of contractors, subcontractors, vendors and their employees must be familiar with MDFC's programs and policies as well as comply with all Federal, State, and local safety and environmental protection codes. The information in the policies and programs was meant to protect personnel and property and is not intended to supersede any Federal, State or local codes.

It is imperative that all contractors/vendors understand that the safety and health of their employees is solely the responsibility of the individual contractor/vendor. The employee/employer responsibility cannot be delegated to others, nor shall it be assumed that MDFC accepts this responsibility in any way.

As an authorized representative of _____, I have accessed MDFC's website and reviewed all of MDFC's safety policies and programs and understand the requirements thereof. I understand that it is my sole responsibility to disseminate this information to my employees and subcontractors. I am aware that any contractors, sub-contractors, vendors, or employees assigned to perform work on-site will have to sign a "Safety Sign-Off" form attesting to the receipt of Minn-Dak Farmers Cooperative's Contactor Safety and Food Safety Policy.

I understand that it is my sole responsibility to notify MDFC's Safety Dept any time an employee has terminated employment with my company (for any reason) to ensure all access to MDFC for that specific employee can be revoked.

If you are a subcontractor, please name the company you are subcontracted through: _____

I also understand that before work can begin on site at MDFC, current copies of our workers compensation certificates and other requested insurance certificates must be supplied to MDFC.
