

# NOW HIRING HVAC Technician

Minn-Dak Farmers Cooperative is seeking a full time, year round HVAC Technician to install and maintain heating, ventilating, and air conditioning equipment. This position works the day shift and reports directly to the Machine Shop Supervisor.

## Essential Job Duties

- The HVAC Technician is involved in preventive maintenance on, installation of, and identifying and repairing problems on the following types of equipment:
  - ▶ Air conditioners, heat pumps, and chillers
  - ▶ Steam, gas, oil, and coal fired heating systems
  - ▶ Humidification and Dehumidification systems
  - ▶ Fans, blowers, air filtration systems, and ducting
  - ▶ Steam and condensate systems
  - ▶ Measurement and control systems
  - ▶ Other Specialized Equipment
- The HVAC Technician installs, develops and performs preventive maintenance schedules, troubleshoots, and repairs the above equipment in a professional manner.

## Qualifications

- One-year degree in HVAC Technology or equivalent program from an approved trade or technical school required to attain Tech II level
- Leadership and judgment qualities
- Familiar with basic process operations
- Should be motivated, willing, enthusiastic, and promotable
- Ability to communicate and work cohesively with others

Starting pay: \$19.69 to \$27.63 per hour based on education and experience. Comprehensive benefit program including: health, dental, and vision insurance, sign-on bonus, 401(k) plan, vacation, paid holidays, and after one year pension plan, life insurance, and LTD insurance.

## Application Process

All interested and qualified individuals are encouraged to fill out an application and also provide a resume, cover letter and transcripts. The application is available on our website: <http://www.mdf.coop/careers>
