

# Suggested Hall of Fame Award Criteria

## Suggested new criteria

---

- The Hall of Fame Award recognizes people who have made outstanding contributions to Minn-Dak Farmers Cooperative (MDFC) primarily and may include those who have also made outstanding contributions to the beet sugar industry regionally or nationally.

## Former statement of criteria for selection

---

- The Hall of Fame recognizes someone who has contributed to the success of the beet sugar industry in general and to MDFC specifically.

This change shifts the emphasis from being an award that recognizes contributions beyond the knowledge basis of many stockholders to one that is more MDFC oriented. However, it does not exclude the awards committee from giving the award to someone who has made a major contribution to the beet sugar industry as a whole, therefore benefiting MDFC as well.
