

JOB DESCRIPTION

Wash House Leadperson

Summary

This position keeps the factory supplied with clean beets, and prepares the separated wastes (mud, tailings, trash, rocks, sand, etc.) for final disposition, while generating a minimum amount of waste water.

Principal Working Relationships

- Supervisor Campaign: Beet End Technician, Shift Superintendent
- Supervisor Inter-Campaign: Shift Maintenance Supervisor or other equivalent supervisor

Essential Job Duties

- The Wash House Leadperson must operate the wash house and associated equipment in an efficient and safe manner.
- The Wash House Leadperson must understand and direct the operation of the following systems and related equipment in the wash house area as directed by his supervisor:
 - ▶ Rock, trash, and sand catchers.
 - ▶ Beet washers.
 - ▶ Trash and tailings separation and preparation systems.
 - ▶ Clarifier and mud pressing.
 - ▶ Water and waste water systems (as they relate to the Wash House).
 - ▶ Environmental systems (as they relate to the Wash House).
 - ▶ Chemical feed systems (including antifoams, lime, flocculents, et al.).
- Assure that all work areas are kept clean.
- Complete reports as required.
- Implement and require strict adherence to all safety, food safety, feed safety, and sanitation rules and programs.
- Develop the skills of self and others through training.
- Use people, time, equipment, and material in the most efficient manner.
- Report mechanical, electrical, instrumentation, environmental, food safety, feed safety, and operational problems, and unsafe conditions to supervisor.
- Other duties as required by the business.
- Adhere to all company policies and all safety, food safety, feed safety, and sanitation rules and programs

Qualifications

- High school education or equivalent.
- Read, write, and follow instructions.
- Should be motivated, willing, enthusiastic, and promotable.
- Good attendance, safety, disciplinary, and overall employment records.
- Ability to communicate and work cohesively with others.
- Organized with excellent time management skills
- Ability to communicate effectively with employees at all levels

Physical Demands and Expectations

- Able to stand or walk on concrete floors for an entire eight hour shift if necessary
- Able to bend and lift – 20 to 100 pounds
- Able to climb stairs
- Able to work in temperature extremes (cold and hot)
- Able to work in noisy and dusty conditions
- Able to work on rotating shifts up to six days per week. A normal shift will consist of eight hours with a scheduled sixth day every four weeks

Acknowledgement

I have reviewed this job description and am able to perform all duties required.
