

NOW HIRING

Mechanic

Minn-Dak Farmers Cooperative is seeking full time, year round Mechanics to perform and assist in plant maintenance, operations, and construction. This position reports directly to the Shift Maintenance Supervisor.

Essential Job Duties

- The Mechanic is involved in preventive maintenance on, installation of, and identifying and repairing problems on the following types of equipment:
 - Pumps, Fans, and Compressors
 - Gearboxes
 - Conveyors
 - Turbines
 - Piping and Valves
 - Tanks and Pressure Vessels
 - Mobile Equipment
 - Buildings
 - Other Specialized Equipment
- The Mechanic performs and assists in plant maintenance and construction. (Employees entering a mechanic classification will be evaluated and placed into one of the four levels of mechanics based upon their competence and ability. Mechanics that continue to increase their knowledge about process operations, the number and proficiency of skills they possess, and exhibit good work habits, may be allowed to test and interview their way to the next higher mechanic classification, until reaching Mechanic I.)
- Should be motivated, willing, enthusiastic, and promotable.
- Ability to communicate and work cohesively with others.

Starting pay: \$16.76 to \$25.85 per hour based on education and experience. Comprehensive benefit program including: health, dental, and vision insurance, sign-on bonus, scholarship for new graduates, 401(k) plan, vacation, paid holidays, and after one year pension plan, life insurance, and LTD insurance.

Application Process

All interested and qualified individuals are encouraged to provide a resume, cover letter and transcripts. Please email to recruiting@mdf.coop or mail to:
