

NOW HIRING

Senior Accountant

Minn-Dak Farmers Cooperative is seeking full time, Senior Accountant. The Senior Accountant is responsible for participating in the financial planning of the Cooperative including the production and cash flow forecasts, budgeting and analysis required for special projects, capital expenditures and internal financial analysis reporting. This position reports to the Vice President of Finance.

Essential Job Duties

- Participates in conjunction with the Budget Analyst in the Preparation of the Cooperative's annual fiscal year budget by gathering data and working with cost center managers and reviews the budget prior to board presentation
- Participates in the Cooperative's financial forecasting including monthly production forecasts
- Participates in the monthly sugarbeet payment estimates which includes monitoring and analyzing variances to the budget
- Management and preparation of the Cooperative's monthly cash flow forecast, including forecasting the balance sheet and projecting ratios
- Participates in financial analysis for the Cooperative required for strategic project business cases, special projects, capital expenditures payback and IRR analysis
- Member of the SWAP Interest Rate Analysis Team
- Contributes to the finance department monthly processes by preparing journal entries and reconciliations
- Participates in the yearly financial statement audit and assists in writing notes to the year-end financials
- Participates in information preparation for the yearly insurance renewals, surveys and benchmarking activities
- Participates in the development of presentations for board meetings and patron meetings
- Other duties as required by the business
- Maintain employee confidentiality
- Adhere to all company policies and all safety, food safety, feed safety, and sanitation rules and programs

Qualifications

- Requires a minimum four-year college degree, with experience in the areas listed above. An MBA or post-graduate degree and/or CPA or equivalent preferred
- More than 3 years of experience in an accounting/finance role in a medium to large-size business is preferred. Experience with the cooperatives business model and accounting principles preferred
- Fully versed in all aspects of fiscal management, budgeting, forecasting and banking relationships
- This person must also possess outstanding communication, people, and management skills
- Must understand how to review complex business scenarios, explain them to non-financial individuals and act upon them accordingly
- Possesses outstanding organizational and excellent time management skills
- Possesses the ability to communicate effectively with employees at all levels
